Sir,

In compliance with the instructions conveyed in letter No.1701-7/Muz. 580-21-30 dated 13th November 1922 from the Secretary to the Government of His Highness the Maharaja of Mysore in the Revenue Department, I have the honour to submit the following report concerning the Administration of the Rao Bahadur Dharmapravarthaka Gubbi Thotadappa's Charities for the year ending 30th June 1924.

Board of Trustees:-

There was no change in the constitution of the Board of Trustees which met four times during the year. The President of the Board Rajasabhabhushana Dewan Bahadur K. P. Puttanna Chetty Esq., C. I. E.inspected the institution several times and kept himself in close touch with the management of the Chatram and the working of the Boarding Home and the proper equipment for affording facilities and comforts to travellers. The Secretary and the other trustees were individually exercising a vigilant check and supervision over the management of the chattram and the Students' Home.

Receipts and Expenditure:-

The annexed statement exhibits clearly an account of the receipts and expenditure under the several heads during

the period under report.

Boarding Home:-

In spite of the paucity of funds and the costliness of provisions, the number of boarders stood at 65 during the year as against 53 in the year 1922-23. Of these Students three were studying in the B. A. Class, fifteen in the Entrance Class and 44 in the High School Classes. There were also 3 purely Sanskrit Students studying in the Sarada Gurukulavasa. Besides the permanent free boarders an average of 5 travellers per day were fed free as usual. I may incidentally mention here that in consideration of the financial stringency a number of applications from deserving poor Students for admission into the Boarding Home, had to be rejected.

Medical Aid:-

The attendance and Inspections of the Medical Officer were regular and the medical aid afforded to the Students was as usual satisfactory.

Building:-

The Chattram Buildings and the premises were kept clean and tidy, arrangements being made for the annual white-washing, maintenance and repairs.

Travellers:-

The proximity of the Chattram to the City Railway Station, its healthy location and ventilation, the cleanliness of the building and the arrangements made for prompt attention, at any hour of the day or the night, to comply with the needs of the travellers, be they rich or poor, are the main features which tended to attract the travellers to take advantage of the Chattram and appreciate the benevolence of the founder thereof. The fact that

12,000 travellers have taken advantage of the temporary shelter afforded in the Chattram, indicates the ever increasing popularity of the institution.

As in the previous years a small rent was charged to well-to-do travellers, who used the rooms upstairs which are well furnished and lit with electric lights.

Visitors' BOOK:-

The opinions and suggestions recorded by the visitors in the Visitors' Book kept for the purpose were considered by the Board of Trustees and measures were taken to give effect to the improvements suggested or to rectify the defects pointed out.

Charity Box:-

Two charity boxes were as usual maintained thereby throwing open facilities for voluntary subscriptions towards the administrative expenses of the Institution.

Reading Room and Library:-

The management of this has been entrusted to the Students who, by turns are running the same suceessfully.

Water Supply:-

I very much regret to bring to your kind notice that in spite of the question being pressed for the last 3 years, Government have not been pleased to effect an improvement in the water supply to the Chattram. The present condition of water supply is far from being satisfactory.

Rate of Interest:-

This is also a point on which with the Lingayet

Community in general and Trustees in particular are extremely disappointed at the scant consideration with which Government have been pleased to treat the repeated prayers of the management for the enhancement of the rate of interest. The spirit of Government in encouraging private benevolence is at variance with the principle with which the rate of interest for such endowments as the one in question is fixed. The present rate of 4 % was fixed in days when the money market was cheap and the ~~xxxxx~~ provisions were only half as costly as now. Permit me to bring to your kind notice, that this endowment is different from the other Muzrai endowments in that the major portion of the benefits of this endowment is spent for the advancement of Education among the poor Students of the Veerasaiva Community. While almost all the educational endowments have been given the benefit of the enhanced rate of interest viz., 5 % and while some of the Educational endowments have been permitted to be invested in the 6¼ % State Loan, it is a matter ~~of~~ for regret that the Veerasaiva Community is very unfortunate not to receive a similar benefit at the hands of Government for this particular endowment amounting to Rs. 76 000/- I would therefore crave your indulgence and request the Government to consider the present day circumstances and to be so sympathatic as to obtain sanction for enhancement of the rate of interest to at least 5 % as in the case of all other Educational Endowments.

I have the honour to be,

Sir,

Your most obedient servant,

Dated 16th September 1924.

Letter No.28th July/from the Honorary President, Sri Sanatana Dharmapravartha Gubbi Thotadanna's charities, Bangalore, to the Controller in Mysore, Bangalore.

With reference to your No.77 dated 9th July 1920 returning the marginally noted bills unaudited and stating that the enhanced rate of interest at 5% is not admissible under para 3 of the Government order Fl.4002-51/G.F.36-18-14 dated 8th January 1920 on the ground of the nonpayment of the full amount of the promised deposit, I have the honour to state that Mr.Thotadanna originally deposited Rs.70,100/-. He added this by his will another sum of Rs.29,900/-. But this was subject to condition that it was realisable. The truseees have so far recovered and deposited Rs.19,900 and are endeavouring to collect the remaining sum of Rs.10,000/-as early as practicable. ~~The balance of the amount.~~ The balance of the amount paid forms one tenth of the total amount and it seems to be hardly fair to deprive a charitable institution of the ben of the above Government order on this ground. Since the greater part of the amount has been deposited and since it is not possible for the Trustees to deposit the balance until it is actually collected from th parties concerned, I request that the terms of the Government order ma be liberally construed in favour of the charities and the enhanced rat of interest be kindly ordered to be paid on the amount already in depo subject to the payment of the balance in due course.

In this connection, I wish to invite your kind reference to para 2 of G.O.No.2877-80 Muzrai dated 31st May 1910 in which Govt.have agreed to receive the money as it becomes available in instalments of even -- thousands of rupees.

P.S. Para 3 of Govt.order of 8th January 1920 does not seem to bear the interpretation put upon it.

Bill for Rs.2092-5-4 and Rs.2198-5-4 on account of interest on the endowment deposit of Rao Bahadur Gubbi Thotadanna Setti.

For Deputy Commissioner,

Letter No.7/E.1 dated 23rd April 1925 from the Honorary Secretary, R.B.Thotadappa's charities, Bangalore, to the Deputy Commissioner, Bangalore District.

Adverting to your letter No.I-3 Oc.1060 of 1924-25 dated 10th March 1925 calling for information as to when and to whom the repeated prayers of the management were made for the enhancement of the rate of interest on the endowment made by the late Rao Bahadur Gubbi Thotadappa, I have the honor to state that on a reference being made to the Comptroller by the President of the Charities on 29th July 1920(copy of the letter enclosed herein) Government were pleased to sanction in their order No.2695-7/Misc 217-20-5 dated 8th February 1921 the payment of interest at the enhanced rate of 5 percent only on the 2nd deposit of Rs.29900/-. That the benefit of the enhanced rate should be accorded for the full endowment of Rs. 90,000/- is the subject which is referred to in each of the annual reports of the years 1921-22, 1922-23 and 1923-24. These reports were submitted to you as usual.

I beg permission to urge as the charities are being utilised for useful purposes in the cause of the education of the community and for affording facilities to the travelling public any formal understanding with which the deposit was invested in the Government Treasury so far back as 1908 may be kindly ~~order~~ over looked and the benefit of the enhanced rate of at least 5 percent(if not permission to withdraw and invest all the funds in 6½%) may be kindly accorded. Not only the community but also the public would benefit a good deal, if the privilege of 5% interest is conceded in respect of the full endowment from 1st July 1917, and I beg to assure you, Sir, that the Trustees will be extremely grateful to you for the sympathy with which it is hoped you would view this question and press the same on Government.
